SELF-SERVICE -
PLEASE ORDER AT THE COUNTER!

EVERY TUESDAY: FLINTA PUB

Every Tuesday we open our place only for women, lesbians, inter, trans and nonbinary as well as gender non-conforming people. (The evening used to be called the “Women’s Lesbian Pub.”) We would be delighted if everyone who feels that this appeals to them would spend a relaxed pub evening with us :)

ALLERGENS AND ADDITIVES

You can check the allergens and additives on your smartphone by scanning the QR code below. Alternatively, look on the screen next to the counter!

Vegan products are marked directly on the menu 🌱.

Products marked with 🌿 are vegan, but the packaging is only vegetarian.

PRICE RANGE

We try to keep the prices in the café affordable for many people. At the same time, we want to ensure the long-term existence of our place. For many products, there is a cheaper alternative. If you still can’t afford our prices, we can offer you a 10% discount on all products. If you have more money available and would like to support us, we would be happy if you voluntarily pay 10% more. In both cases, just let us know when paying!

SMOKING

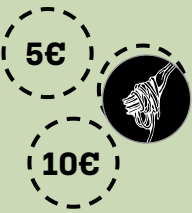

...is allowed in our Yellow Room (the back room with the sofas) from 8pm. Please ask at the counter for an ashtray!

RENT KRAWALL

You are welcome to rent the Krawall for an event or private party. If the event corresponds to our club's purpose, it's even free. Feel free to speak to our staff or take a look at www.cafe-krawall.de/mieten for the conditions.

On request and by arrangement we also offer buffets.

COLLECT POINTS

With the Krawall collector's card you can collect points every time you visit – as soon as the card is full, we will give you a voucher worth 10€. Just ask for the collector's booklet when paying! Points cannot be collected at parties.
